**G** **e** **a** **D**  
1. \*Speed, bonnie \*boat, like a \*bird on the \*wing,  
**G** **C** **D**  
\*Onward! the \*sailors \*cry;  
**G** **e** **a** **D**  
\*Carry the \*lad that's \*born to be \*King  
**G** **C** **D**  
\*Over the \*sea to \*Skye.

**e** **e** **a** **a**  
\*Loud the winds \*howl, \*loud the waves \*roar,  
**e** **e** **C**  
\*Thunderclouds \*rend the \*air;  
**e** **e** **a** **a**  
\*Baffled, our \*foes \*stand by the \*shore,  
**e** **e** **C** **D**  
\*Follow they \*will not \*dare.\*

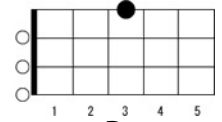

**G** **e** **a** **D**  
2. \*Many's the \*lad \*fought on that \*day,  
**G** **C** **D**  
\*Well the Clay\*more could \*wield,  
**G** **e** **a** **D**  
\*When the night \*came, \*silently \*lay  
**G** **C** **D**  
\*Dead on Cul\*loden's \*field.

**e** **e** **a** **a**  
\*Burned are their \*homes, \*exile and \*death  
**e** **e** **C**  
\*Scatter the \*loyal \*men;  
**e** **e** **a** **a**  
\*Yet ere the \*sword \*cool in the \*sheath  
**e** **e** **C** **D**  
\*Charlie will \*come a\*gain.\*
